

# License

You may modify the resource any way you need.

You can not republish it without placing the creator's name in the title or description and linking one of his web-based media. Behance is recommended.

You do not reserve the privileges to redistribute, resell, rent, license, sub-license, or offer this asset to any outsider.

To get the option to republish, you should contact the creator first.

This freebie resource is given by Mateo Jurin. It is royalty-free for **personal** and **commercial** use.

To get more familiar with him and his work, check out his [Behance profile](#).
